Happy Anniversary, Dangerous Pleasure

Staff's Comment Box

DP: Who's your favourite couple?

Starla: My numero uno is DEFINITELY Tanihara x Sensei from *Himegoto Asobi* followed very closely by Yokozawa x Kurishima from *Sekaichi Hatsukoi*

DP: Who's your fave potential couple?

Starla. It doesn't have to be characters from the same title, right? I wanna see the gorgeous Akito from *Gokujou no Koibito* with some sex-crazed yakuza type like Itsuki from *Beast & Feast.* Oooooooh, the feisty, non-rated movie playing in my head now x_x

To our wonderful staff, collaborators and readers: thanks for your support!
